The seventh issue of Financial Innovation (FIN), Volume 3, No. 1 (2017) presents nine papers contributed 26 authors and co-authors from seven countries and areas: Cameroon, China, Ghana, India, Pakistan, South Africa and UK.

design new policies and funding schemes for developing and improving water availability. The ninth paper, “Market efficiency of gold exchange-traded funds in India”, by Rupel Nargunam and N. Anuradha, provides evidence that the efficient market hypothesis does not hold for the gold exchange-traded funds’ market in India.
