International education services contributed $17 BILLION to the Australian economy in 2014 and represented close to 5% of total Australian exports.

**WHERE ARE AUSTRALIAN INTERNATIONAL STUDENTS FROM?**

Australia's top 10 source countries, 2014:
- Nepal: 3%
- China: 26%
- South Korea: 5%
- Vietnam: 5%
- Brazil: 4%
- Pakistan: 2.5%
- India: 11%
- Thailand: 4%
- Indonesia: 3%
- Malaysia: 4%

3/4 are from Asia.

**HOW DOES AUSTRALIA COMPARE?**

Australia, with a market share of 6 per cent, is one of the four leading English-speaking destination countries for the provision of international education services. Although Australia may not have the highest number of international students, we have one of the highest concentrations of international students in total national tertiary enrolments.
