Correction to: *Economic Structures* (2021) 10:12

<https://doi.org/10.1186/s40008-021-00242-8>

The original version of this article (Flegg et al. 2021) unfortunately contained an error in the presentation of two equations. The correct versions are given in this erratum.

$$\hat{a}_{ij}^r = \begin{cases} (SLQ_i)^\alpha a_{ij}^n (x_j^r/x_j^n)^\beta & \text{if } SLQ_i \leq 1 \\ [0.5 \tanh(SLQ_i - 1) + 1]^\alpha a_{ij}^n (x_j^r/x_j^n)^\beta & \text{if } SLQ_i > 1 \end{cases} \quad (16)$$

Also, on the same page, the 2DLQ method is, in two instances, erroneously referred to as the 2DLS method.

The original article has also been corrected.
