Of course, your participation is completely voluntary. For our study to produce scientifically valid results, it is important that every member of your household takes part.

We cordially request you
– to answer the questions for our Interviewer

How should the questionnaire be filled out?

There are different types of question and answer forms:

Example: Do you have siblings? Yes No

Numbers are entered in the slightly larger white fields according to your answers.

Example: Number of pupils

For some questions you are given answer options.

Example: Never Seldom Some-times Often Always

A question form is called a scale. It comes from the Latin language and means something like ladder or stairs. You can think of it like that: If something is at the bottom or does not apply at all, you are on the lowest step. If something is at the top or fully true, you are on the top step. Sometimes something is true, but only more or less, then you are on one of the steps in between.

Example:

	Absolutely does not apply						Fully applies
I am...	1	2	3	4	5	6	7
... eager for knowledge.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

A  precedes explanations of individual questions.

Once, depending on your answers, it does not go in order, this is indicated by arrows.

Example: Do you have siblings?
Yes ¹ No ² → Continue with question xx
↓

If you make a mistake with an answer, simply cross out the box clearly and tick the answer that is actually correct.

Example: Do you have siblings? Yes No

If you accidentally crossed out the correct answer and ticked the wrong one, then also cross out this wrong answer and draw a circle around the correct answer.

Example: Do you have siblings? Yes No

Please make sure:

-  that you fill out the questionnaire in black pen only.
-  that your answers are clearly legible.
-  and that your answers are inside the boxes.

This makes our work much easier. Thank you very much!

First, a Few Questions About You

1

Next come a few statements that begin, for example, with: “I am ...”, “I have ...” or “I try ...” and where you can think that it is exactly the same for you – i.e. that it “fully applies” or that it is not at all the case for you – i.e. that it “does not apply at all” or that it is only “partly true”. Please answer all the questions as best you can, even if you are not quite sure or if a question seems strange to you.
